

NSDA Engagements with STATE

GUJARAT

- **First NSQF orientation workshop held**
Orientation Workshop was organized on 28th September 2016
- **Status of Core Committee**
Not formed yet
- **Challenges in implementation**
There are no specific challenges as such but there is a need to understand the state mechanisms and existing models of the skill development in the state in a more comprehensive manner.
- **Way forward**
Identification of the state specific qualifications. Coordinating with the SSDM to for all skill development initiatives and documenting the best practices of the state
