

## **NSDA Engagements with STATE HARYANA**

**NSQF orientation workshop : 16.01.2016**

### **Outcomes of the workshop**

- 1st level of information dissemination on NSQF
- Formation of core committee
- Department of Social Justice and Empowerment, Government of Haryana has sent a Qualification file on Care giver for pediatric, Geriatric, Devyang

**Second NSQF workshop:** The workshop was held on 3<sup>rd</sup> April 2017 with Department of Technical Education, Haryana for NSQF alignment of Polytechnic qualifications.

### **Status of Core Committee**

Formed with the Secretary, Dept of Technical Education as the Chairman

### **Recent developments**

- **Department of Social Justice and Empowerment:** After various consultative meetings, The Department of Social justice and Empowerment is working on the industry validation and curriculum for the qualifications. The department will re-submit the 3 qualifications files for NSQF alignment in NSQC to be held in May 2017.
- **Department of Forestry:** The department of forestry has submitted 2 qualification files. They are yet to submit industry validation and curriculum for the same.
- **Department of Technical Education:** The department is working along with NITTTR, Chandigarh for developing outcome based curriculum for polytechnic diploma qualifications and subsequently submit qualification files to NSDA for NSQF alignment.

### **Challenges in implementation**

Only two department has sent the Qualification files. The department is facing difficulties in filling qualification file. Other departments in skill ecosystem of the State have not taken an initiative to align their courses to NSQF. Follow up workshop is required for sensitization of stakeholders with respect to NSQF

## **Way forward**

Guiding Department of Social Justice and Empowerment, Department of Forestry and Department of Technical Education in filling qualification files
