

NSDA Engagements with STATE JAMMU AND KASHMIR

- **First NSQF orientation workshop held**
Consultation meeting held with state SSDM on 19th December 2016

- **Status of Core Committee**
Not formed yet

- **Challenges in implementation**
 1. Shifting of capitals challenges of socio political nature
 - 2.No industries in the state as such.
 - 3Convergence of departments and establishing SSDM as a nodal agency in the state

- **Way forward**

Follow up meeting with all the stakeholders at one place with an objective to understand the mandate of SSDM and action plan.

On NSQF alignment, the state needs to develop a comprehensive list of qualifications from all the departments and then NSDA can help the state in developing some qualifications files as a model practice which can then be followed for other qualifications
