Second NSQF orientation workshop held

- 04.03.2016
- 20.05.2016

Meeting with Core committee held

- 05.02.2016

Meeting with Working Group held

- 04.08.2016

Key outcomes

Punjab State Board of Technical Education (PSBT&IT) under the Technical Education Department proposed to send QF on 8 Polytechnic courses

Status of Core Committee

Constituted with Secretary, Deptt of Technical Education as the Chairman

Challenges in implementation

- PSBT&IT is facing challenges in implementation of the 8 Diploma courses. The core committee is yet to approve the outcome based curriculum. The board wants to implement the qualifications before they are submitted to NSDA for NSQF alignment.
- Only Department of Technical Education is aligning its polytechnic courses to NSQF. Other Departments have not taken initiatives for the same. The

Way forward

PSBT&IT to submit 8 Polytechnic diploma qualifications for NSQF alignment in next NSQC
